Last Saturday's Primary.

Up to noon Friday full returns from last Saturday's primary had failed to reach the county clerk's office. Either the election officials are ignorant of the fact that the law requires a copy of the returns to be filed with the clerk or are negligent in the discharge of their duties. It is not known yet exactly how many precincts held elections.

Following is a list of the returns as far as we have been able to get them:

According to the Devine News Neff received 131 votes at the Devine poll, and Bailey received 39 there.
The figures show that 757 votes were cast for governor. As the voting strength of Medina County is approximately 1500 votes, about one-half of the voters did not participate in the election.

Notice to Cotton Farmers.

Owing to the high price of fuel, labor, wrapping, etc. this year, we, the undersigned, will gin for cash. The buyers will deduct ginning in the same manner as the weighing is deducted if not paid at gin

Women of Texas Entitled to Vote in November Election.

Austin, Texas, Sept. 1. — Under the new suffrage amendment to the constitution of the United States, women of Texas are entitled to vote in elections. This is the effect of a ruling made by telegraph today by Assistant Attorney General C. L. Stone, addressed to County Judge Henry O. Nelson of Cass County. The message read:

"In view of amended United States constitution, all women who are otherwise qualified voters at your bond election are entitled to vote and are not required to have a poll tax receipt nor to have paid poll tax. Women are required to have poll tax receipts only at primary elections."

His ruling is given as a result of the official pronouncement by Secretary of State Bainbridge Colby that the nineteenth amendment had been ratified.

To the Voters of Medina County

I wish to make known to the voters of Medina county that I am no longer a candidate for the office of Tax Collector and have withdrawn from said race. In making this announcement I want to avail myself of the opportunity of thanking my many friends who have stood by me and who have given me their support during all of the past years. Respectfully,

JOE NEY.

Farms For Sale.

One farm of 320 acres, 85 in cultivation, ground tank and cistern, 7 miles of D'Hanis; and 170 acre farm, 70 in cultivation, 2 wells and cistern, go od rock residence, barn and outhouses, 1 1/2 miles north of D'Hanis. For particulars see Emil Lutz, D'Hanis, Tex. 6tf

Notice.

We take this means of expressing our thanks to those who so generously helped to make the St. Louis Day celebration such a great success. As the number of the kind donors is so large we cannot thank each one separately.

THE COMMITTEE.

FOR SALE—Two Shetland Ponies; gentle to drive and ride. Call A. C. Hart, Lacoste, Texas. 6-3t

PIGS FOR SALE—Fourteen high grade Duroc Jersey pigs, 2 months old. B. L. Robinson. 6-tf

We are authorized to announce JOHN B. NEY as a candidate for re-election to the office of County Commissioner of Precinct No. 3, Medina county, at the November election.

The First Bale.

The first bale of the 1920 cotton crop was brought in Wednesday by Willie Frerichs, was ginned by the Hollaway gin and weighed 450 pounds. The first bale of the 1919 cotton crop sold on the local market was on August 30, 1919, one day earlier than this year's bale. The cotton picking season is opening up, and it is probable the gins will get busy in the course of the next two weeks. While the crop in this section will probably be below normal there will nevertheless be quite a lot of cotton made in some parts of the county. As the Frerichs bale was held off the market we are unable to state at what price the local market will open up.

Bounty On Rats.

Boys get out your traps. The commissioners court at its last session ordered a bounty of 1c each paid on each rat killed. Here is an opportunity to make some money to shoot away at doves, and you will at the same time be doing your country a good service. When you kill a rat cut off the tail and present it to the commissioners court and receive 1c for each rat's caudal appendage presented. It's not a get rich quick scheme but you can make a little pocket change.

SPECIAL NOTICE.

We will have a demonstration of the Allis Chalmers Tractor every Saturday afternoon from 3 to 5 p. m. for 4 Saturdays. Call on us at Citizen Motor Car Co., or phone 154. Paul and Herman Weynand. 6, 4t

Over fifty years ago a young physician practiced widely in a rural district and became famous for his uniform success in the curing of disease. This was Dr. Pierce, who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Few folks or families now living have not at sometime or other used this "Golden Medical Discovery" for the stomach, liver and heart. Over twenty-four million bottles of this tonic and blood remedy have been sold in this country.

Tschirhart-Kilhorn.

An attractive wedding of the week was that of Mr. Philip Tschirhart and Miss Elizabeth Kilhorn, daughter of Mrs. F. Kilhorn, Sr., which took place Monday morning, at 9:30, in the St. Louis Catholic Church in the presence of a large gathering of relatives and friends. Rev. A. Heckman performed the impressive ceremony. The wedding song was beautifully rendered by the choir of the church. The attendants were little Misses Marguerite Kilhorn and Martha Tschirhart, flower girls, who walked in front of the bride and groom. Then came Anton Kilhorn and Miss Theresa Hans, Anton Tschirhart and Miss Alice Haby, Rudolph Mangold and Miss Edna Sittre.

The bride wore a beautiful white satin dress, trimmed in Georgette and beads with long train and her veil was of embroidered maline arranged in cap effect, caught with a wreath of orange blossoms and pearl beads. She carried a shower bouquet of white carnations and lace ferns, tied with a large bow of white maline. The maid of honor, Miss Theresa Hans, was in white chiffon, trimmed in bands of white satin and caught on the side, with white ostrich plumes. She carried a bouquet of tube roses and ferns. The bride's maids were dressed in white organdy, draped ruffles and lace, and each carried a bouquet of tube roses and ferns. The little flower girls were prettily dressed in white net, trimmed in ruffles, edged in white satin ribbon and each carried a bouquet of tube roses and ferns.

After the ceremony a reception was had at the home of the bride and a grand dance at night. The young couple received many valuable presents, such as silver and cut glass.

Born, to Mr. and Mrs. Leo Haby, a son, Friday Aug. 27. Dr. O. B. Taylor of Hondo was a visitor here during the week.

Eugen Huesser and family of Hondo visited relatives here this week.

Mrs. Henry Haby and sons of Bandera were guests of relatives here for the 25th.

Raymond Schott and wife and Mrs. Jacob Haby of Riomedina attended the Tschirhart-Kilhorn wedding here Monday.

Charbon Situation Better.

The charbon situation in Kinney County has improved so greatly that there is every hope for an early relief from the present quarantine. There have been no new cases or deaths among stock in this county within the past ten days therefore an effort is being made to have the quarantine lifted in this county on the first of next month, next Wednesday, and perhaps it may be the request will be granted. Everything is in our favor for it. Reports from all portions of this county indicate that the disease in Kinney County has practically ceased to increase or continue its course.

There has been some suffering and much discomfort under the late quar-

THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine. At all druggists.

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you should. Belching, sour stomach, bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the stipulated condition. Chamberlain's Tablets are also most excellent for nervousness. Sold everywhere at 25c.

antime, which covers the entire county, and it is hoped our desire to see it lifted on the first will materialize. Charbon did much harm throughout this county, and some heavy losses were sustained by some stockmen. However, we are all sure the disease has run its course and we are out in the open again.—Brackett News-Mail.

Deer Dying of Charbon.

It is reported that deer around Uvalde are dying from charbon. Eight were found dead from the disease on the Kincaid ranch about fifteen miles south of here according to a statement of Eugene Kincaid. There is a very rigid quarantine on the moving of all stock and every precaution is being taken to prevent spreading the disease. The greatest danger now, possibly, is of it being carried by the deer.—Uvalde Leader-News.

Medina County Tax Rolls.

According to the records of Tax Assessor L. E. Heath's office the assessed values of Medina county aggregate \$12,448,785—approximately \$130,000 less than last year. While this decrease would apparently indicate a loss in taxable values, such is not the case; the apparent loss being attributable to a readjustment and lowering of the intangible taxes of the railroads. In fact, the rolls really disclose an increase in the assessed wealth of the county, and had the intangible railroad taxes been allowed to stand as heretofore the aggregate would have been far in excess of any previous year.

The largest item on the rolls of course is the land tax, \$18,885 acres being assessed at \$5,478,080, while town lots come second with an assessed value of \$1,082,490.

In the matter of ready cash our people seem to be rather short, a total of only \$69,340 showing on the tax rolls. In the matter of money at interest, however, the showing is somewhat better, this item aggregating \$751,840.

There are but eleven aristocratic dogs in the county who we suppose are too proud to be seen gnawing bones like their more plebeian species, their owners placing a value of \$230 on them.

Following is a list of the items and their value as disclosed by the rolls:

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

According to testimony given by Will Hays, chairman of the national Republican committee, the campaign of the Republican party will be carried on out of a total expenditure of \$5,000,000, of which the present committee has a budget of about \$3,000,000. 1 million dollars had been expended by the former committee at the end of the last Republican national convention, and one million dollars will be distributed to the states for strictly state purposes. The test money was in the nature of a reply to charges made by Governor Cox, the Democratic presidential nominee, that the Republican campaign fund would total \$15,000,000. Mr. Hays denied this charge before

the senate committee which is investigating campaign funds.

You can hear it in our store

—the phonograph that is featured in Vaudeville's strangest act

Perhaps you've seen it—Signor Friscoe's "Magic" Xylophone Act.

It's the hit of vaudeville's "Big-Time."

Signor Friscoe's "magic" is an Official Laboratory Model of the New Edison. We have one exactly like it.

Signor Friscoe's instrument is an exact duplicate of the original Official Laboratory Model, which cost Mr. Edison three

million dollars to perfect. Our instrument is also an exact duplicate of this famous three million dollar original. We guarantee it to be able to give the same marvelous RE-CREATIONS of music, which Signor Friscoe's Official Laboratory Model gives in vaudeville.

Come in and test the astonishing realism of this instrument for yourself—in Mr. Edison's Realism Test.

The NEW EDISON

"The Phonograph with a Soul"

You've read how the New Edison has proved its perfect realism. Four thousand tests have been given, in which more than 50 different artists compared their art with its RE-CREATION by the New Edison. Leading newspapers conceded that there was no difference between the two.

Has any one suggested to you that these comparison tests are "faked"—that the artist imitates the New Edison?

Signor Friscoe's performance makes such an assertion positively ridiculous. Every week, 20,000 people see his hammers ripple over the xylophone keys. Suddenly he holds them aloft—still.

The rippling music continues.

Slowly, the gorgeous curtains of the back-drop part. The audience gasps. The New Edison stands revealed. It has taken up Signor Friscoe's performance, and is now RE-CREATING it alone. The effect of this extraordinary magic can rest upon only one fact: No one can distinguish any difference between Signor Friscoe's performance and its RE-CREATION by the New Edison. Signor Friscoe could not possibly imitate the New

Edison, because the xylophone can not be made to imitate any other instrument, so as to deceive its hearers.

Signor Friscoe's act is not an Edison enterprise. He has simply been clever enough to use the New Edison for what it is worth. Why don't you?

PRICES

The price of the New Edison has increased less than 15% since 1914. This includes the War Tax.

Mr. Edison has staved off price advances by personally absorbing more than half of the increased cost of manufacture.

Because of the exceptionally high quality of materials and workmanship demanded by the Edison Laboratories, and the continued scarcity of both, it may be necessary to advance prices. But rest assured that this will not occur, unless Mr. Edison is forced to it.

Our Budget Plan—the thrift way of spending—will help you buy now. Let us tell you about it.

School to Open September 13th.

The fall term of the Hondo Public Schools will begin Monday, September 13th. The Hondo school now has full affiliation for the first time in its history, consequently the coming year is undoubtedly the most important that ever faced the school at its beginning. By all means the school must be kept up to its present high standard; in fact, every effort should, and doubtless will, be made to put the school in the very forefront of educational institutions of the state. This is not only a duty we owe to the rising generation but is also a fine business proposition for the town and this entire section. Let's make Hondo the educational center of West Texas.

The following faculty will control the destiny of the Hondo schools for the 1920-21 term:

PRIMARY AND GRAMMAR GRADES.

First grade, Miss Lena Stone.
Second grade, Miss Amanda Smith.
Third grade, Miss Willie D. Fly.
Fourth grade, Mrs. Ed. Cameron.
Fifth grade, Miss Gertrude Reily.
Sixth grade, Miss Bessie Brucks.

HIGH SCHOOL.

Guy T. Newton, principal, mathematics and science.
Miss Mary Crawford, history.
Miss Jewell Black, Spanish.
Mr. Mayhew Mantor, English.
J. D. Howell, superintendent, government.
Miss Nellie Wilson, music.
Miss Josephine Brucks will teach the Mexican school.
H. G. Grant will again conduct the colored school.

Teachers' Institute.

County Superintendent of Public Instruction W. N. Saathoff this week issued a circular letter to the teachers of Medina county calling upon them to meet in a teachers' institute to convene at the Breckenridge High School building, San Antonio, next Monday, September 6th. This promises to be one of the greatest institutes ever conducted in Texas, and will be participated in by the teachers of some 20 counties.

Following is a partial list of some of the most noted educators of the United States who will address the institute, an intellectual feast is in store for the teachers who attend:

Dr. Wm. McAndrew, Associate Superintendent, New York City.

Dr. Ernest Horn, Professor of Education, University of Iowa.

Prof. Jay B. Nash, superintendent of Recreation Department, Oakland, California.

Miss Grace Fulmer, Head of Fulmer's School, Los Angeles, California.

At the conclusion of a "Go to Church" contest, conducted during July and August by the Junior Epworth League, the defeated side, entertained the winning side, with a lawn tucky party last Monday night at the home of Mr. and Mrs. J. S. Fly.

The costumes worn by the boys and girls were ideal as to tackiness.

Much merriment was caused first of all in getting acquainted, as every costume worn was new to every one else.

For several hours games were played and last but not least, were the refreshments of delicious cakes and lemonade served by the hostesses of the evening.

The hour for going home came all too soon.

Pope will be seen on Screen.

It is reported from Rome that for the first time in history a Pope has posed for the motion picture camera.

Not only was permission granted for the filming of scenes in the Lourdes chapel grounds, but Pope Benedict Sunday took a leading part, posing first with various groups and then for "close ups" and expressing much amusement at the persistence of the American photographers who went within four feet of the pontiff and snapped him smiling into the camera. It happened after the Pope had celebrated mass for the visiting American Knights of Columbus in the open Vatican gardens and had given holy communion personally to each knight. Vatican officials were amazed that the Pope appeared in these scenes for about 20 minutes and which proved the most complete pictures ever taken of Vatican ceremonies. When the Vatican officials objected to the Pope being photographed, he said: "Let the Americans have what they want."

To Officers and Members of Farmers Institutes:

The railroads have given us a one and one-half rate to the State Farmers' Institute. Tickets will be on sale from the 4th to 8th, inclusive, and will be good to return up to the 13th. Instruct delegates when buying tickets to call for ticket on the Convention certificate plan, paying full fare to Austin, taking agent's receipt or certificate. Upon arrival at Austin deliver certificate to B. F. Chapman, Secretary, at the Department of Agriculture, for his signature.

If we have 250 delegates holding certificates, upon presenting the certificate, signed by Mr. Chapman, to the agent at Austin, the holder will get a return ticket for one half fare. If your delegates have been elected please notify them of this rate at once.

If you have not elected delegates, please elect or appoint one or more to attend this meeting. Every section of the State should be well represented. It is a fight for the farmers' price against the speculators' price. Come and help fix the price and help to get it. Prosperity of the farmers depends upon profitable prices for which we MUST FIGHT if we expect to get them.

COME TO THE INSTITUTE.

Yours respectfully,
J. W. NEILL,
Director of Institutes.

COULDN'T LEAVE
HOUSE IN 4 MONTHS

Delaney Takes Tanlac And Is
Now Back At Work Again
Feeling Fine.

"When I began taking Tanlac I had been confined to my house for four months, but I never felt better in my life than now," said William Delaney, well-known employee of the City Street Department and who lives at 427 Fairview Ave., Seattle, Wash.

"I had stomach trouble and indigestion so bad that everything I ate disagreed with me," continued Mr. Delaney. "Gas would form after meals and cause me to have the worst sort of cramping spells. I actually suffered so much I dreaded to eat at all and I never dared touch meat or anything heavy. I also had rheumatism all over my body and it was so bad in my arms and legs I could hardly get about at all; then my nerves went back on me and I could never get a good night's sleep."

"I heard so much good about Tanlac that I decided to try it and it just seemed to be made especially for my case, for every one of my troubles left me so quick y it was really amazing, and I am enjoying better health now than I have in years. I have a ravenous appetite, eat anything I want and sleep like a log every night. I have gained a lot in weight, too, and put in a big day's work on the job every day. I feel like a different man in every way and Tanlac deserves all the credit for it."

Tanlac is sold in Hondo by W. H. Windrow; in Castrovilla by Joseph Courand & Co.; and in Dunlay by Louis A. Haby.

Arrested for Bootlegging.

Last Friday evening Henry Senne of Brackett was arrested for having several bottles of tequila in his possession according to the officials. On Saturday he waived examination before U. S. Commissioner Freeman on the charge of bootlegging preferred by Customs Collector F. L. Childs and he gave bond in the sum of \$500 to appear before the Federal Grand Jury next October. —West Texas News.

WHO'S SAVING THE
MONEY YOU MAKE?

Where does your salary go? Who is getting the benefit of it? Unless you are saving something out of it every payday it is the other fellow and not you whom your work is aiding. Don't let the other fellow save those dollars of yours which you should save for yourself. Make it a point to put away 7% or 10% of your salary every payday. Invested in War Savings Stamps, which can be gotten at the postoffice or bank. It will be absolutely safe and bringing you interest at the rate of 4% compounded every three months. It is better to save than to be sorry.

HAVE YOU DONE THIS?

Have you gotten that other War Saving Stamp this week? The time to begin saving is now—not tomorrow. It is better to be ahead of the game, even if it is only a dollar or two, than it is to be a nickel behind.

Guinea Pigs Come High.

With the price of guinea pigs at an almost prohibitive figure because of the quantities used, another factor has entered into the cost of medical education in colleges and universities, remarks Dr. Meyer S. Fleisher, professor of bacteriology, in a statement issued from St. Louis university. A strong, healthy guinea pig could be acquired for 35 cents and less several years ago, but they now cost from 75 cents to \$1.25.

From 300 to 600 guinea pigs are used annually in the school of medicine of St. Louis university. There are some 80 medical schools which use more. They are also used in the private laboratories.

Why This Tire
Will Not Skid

A glance at the distinctive tread of the Horse-Shoe Cord Tire will tell you why this tire is so remarkably anti-skid.

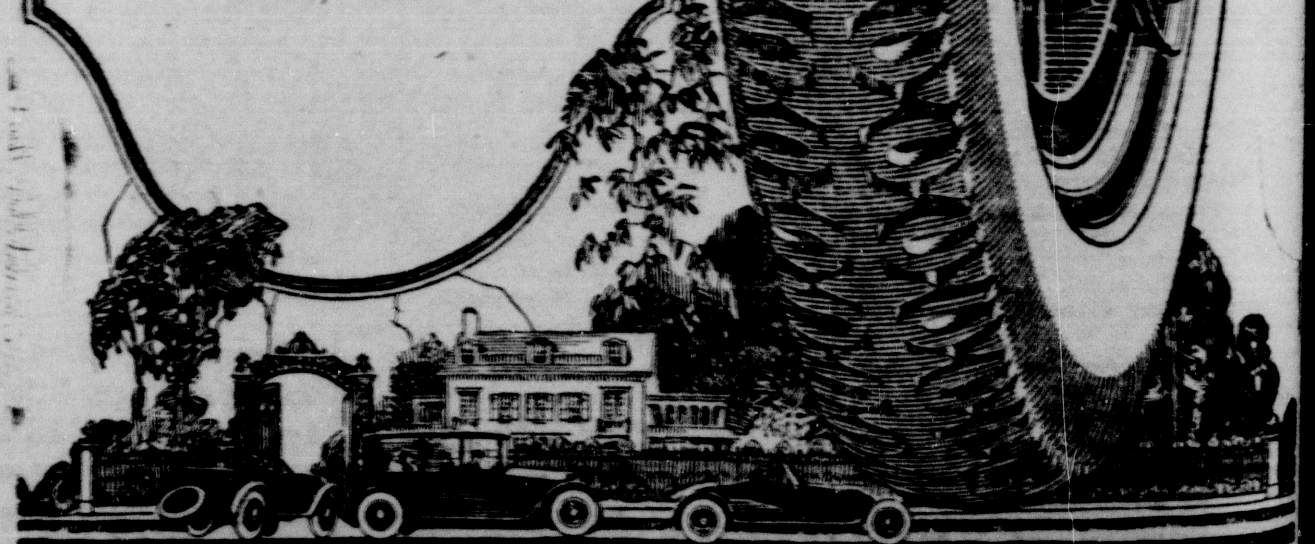

Each little shoe in the Horse-Shoe tread forms a near-vacuum that cleaves noiselessly to the road after the triangular edges of the tread have cleaned and scraped away the moisture.

Such a tread takes hold of the road with a stubborn grip that makes driving safe even on slippery pavements in cars that are notorious "skidders."

You will appreciate the unusual anti-skid qualities of the Horse-Shoe Cord Tire only after we prove them to you on a wet, slippery pavement. Let us give you a demonstration.

Is This Your Experience?

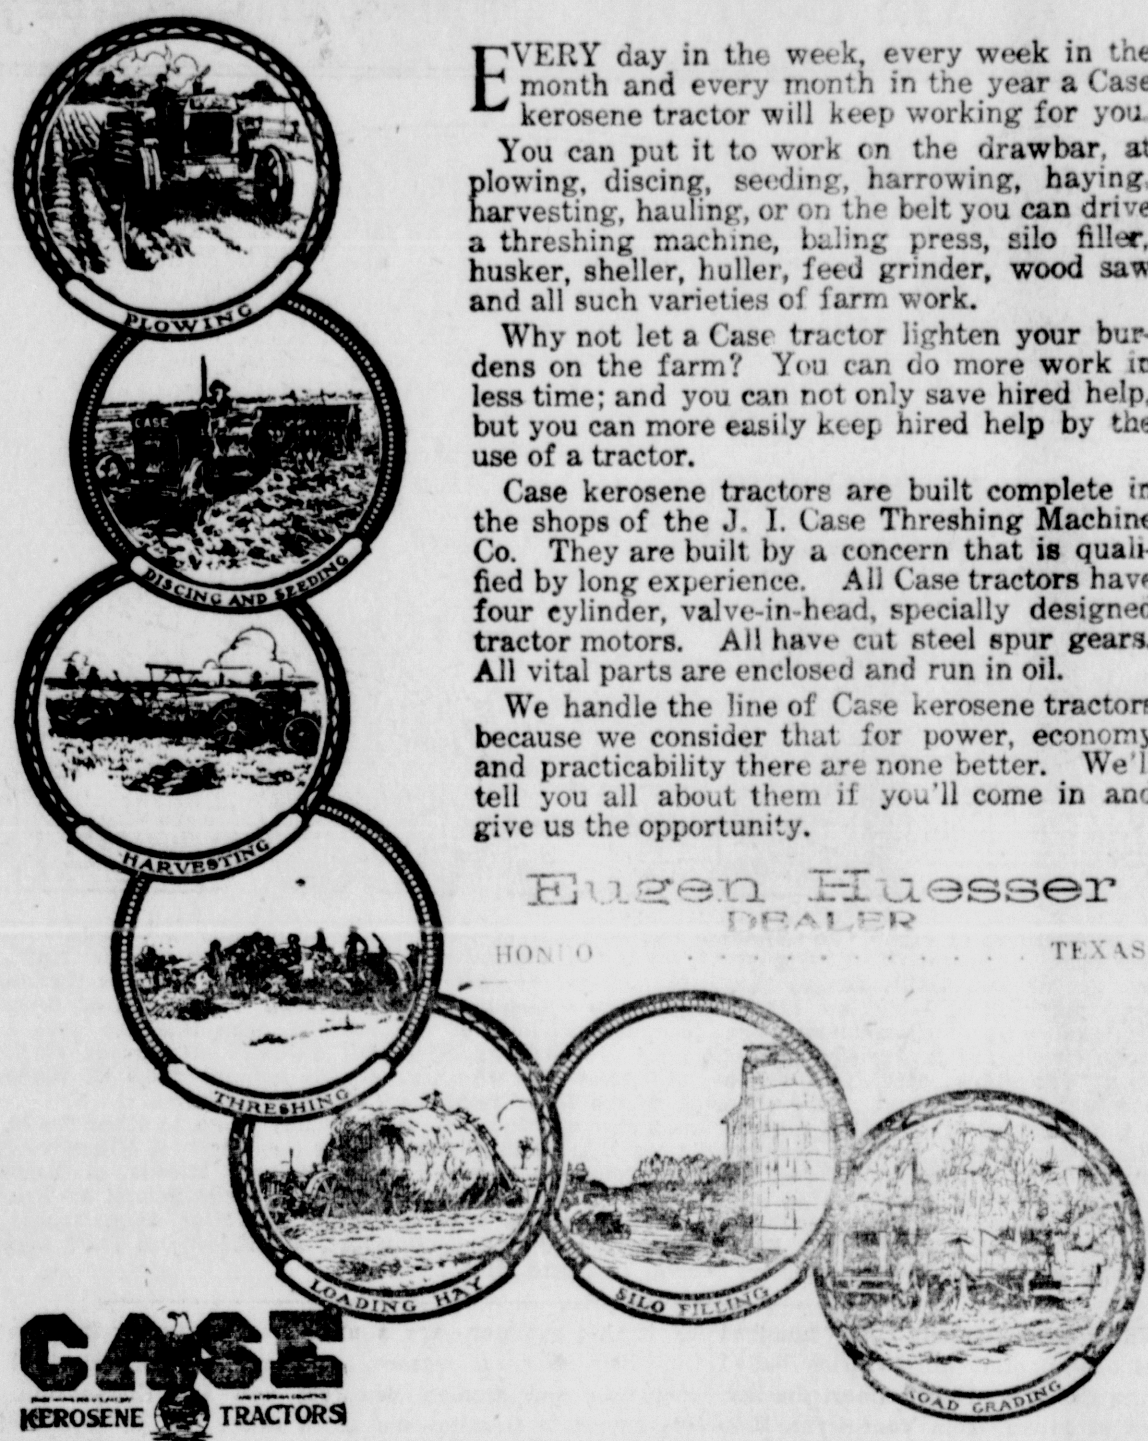

Many Hondo People Are Afflicted With Annoying Kidney Ills.

Are you bothered with too frequent action of the kidneys? Are the secretions highly colored—do they contain sediment—burn and scald in voiding? These are all signs of kidney sickness and should not be neglected. Hondo people recommend Doan's Kidney Pills. If your back aches and your kidneys are weak you will find no better recommended remedy. Ask your neighbor! Joseph Mechler, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are good. I was taken with a severe backache and had sort of a dull pain in my kidneys day and night. When I would stoop over I could hardly raise up again. My kidneys didn't act right and I had to get up at nights on this account. A friend told me about Doan's kidney Pills so I used them and was helped from the first. Two boxes of Doan's made my back as strong as iron and made my kidneys act like clock work." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mechler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

William R. Argue, a lineman in the employ of the San Antonio Public Service Company, was electrocuted at 10:30 Monday morning when he came in contact with a 2300-volt wire, at the intersection of South San Saba and Monterey streets. The lineman was at work on the top of a pole. A seared line on his left wrist told where the electric current entered his body. The unconscious form of the man was removed to the ground by his companions a few minutes after he was seen to suddenly crumple and relax. A life belt worn about his body and attached to the cross arm of the pole prevented the body from dropping to the pavement. Physicians reached the scene shortly afterwards and a crew of firemen offered assistance to bring the man back to life by means of the pulmotor. — S. A. Light.

WORKS 365 DAYS A YEAR

EVERY day in the week, every week in the month and every month in the year a Case kerosene tractor will keep working for you.

You can put it to work on the drawbar, at plowing, discing, seeding, harrowing, haying, harvesting, hauling, or on the belt you can drive a threshing machine, baling press, silo filler, husker, sheller, huller, feed grinder, wood saw and all such varieties of farm work.

Why not let a Case tractor lighten your burdens on the farm? You can do more work in less time; and you can not only save hired help, but you can more easily keep hired help by the use of a tractor.

Case kerosene tractors are built complete in the shops of the J. I. Case Threshing Machine Co. They are built by a concern that is qualified by long experience. All Case tractors have four cylinder, valve-in-head, specially designed tractor motors. All have cut steel spur gears. All vital parts are enclosed and run in oil.

We handle the line of Case kerosene tractors because we consider that for power, economy and practicability there are none better. We'll tell you all about them if you'll come in and give us the opportunity.

The Economy of Using Goodyear Small Car Tires

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30 x 3-, 30 x 3 1/2- and 31 x 4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires and Goodyear Heavy Tourist Tubes.

Eight Texans Sail For Foreign Fields On Southern Baptist Missionary Ship

The Empress of Japan, the Canadian Pacific Liner (2), on which practically 100 Southern Baptist missionaries sailed from Vancouver, B. C., August 17, for China and Japan. Eight new missionaries from Texas were in the group as follows: Miss Zemina Hare, of Orange (1), who will do educational work at Kalfeng, China; Miss Laura Helen Coupland, of Longview (3), who goes to Chengchow; Rev. Joseph T. Fielder, of Abilene (4), who will do educational work at Chengchow; Mrs. Joseph T. Fielder, of Abilene (5), who likewise goes to Chengchow; Miss Blanche Groves, of Bridgeport (6), who goes to Soochow; Miss Eva Sullivan, of Garner (7), who will do medical work at Yangchow; Miss May Morton, of Dallas (8), who will do educational work at Wuchow, and Miss Cecile Lancaster, of Brownwood, who will teach in the Girls' School at Kumamoto, Japan.

A number of other young Texans are under appointment of the board to go to other fields. Mr. and Mrs. R. A. Clifton, New Boston, will do evangelistic work in Brazil; Miss Bertha Lee Hunt, of Hillsboro, and Miss Essie Fuller of Fort Worth, will do educational work in Pernambuco, Brazil; Miss Mildred Mihills, of Austin, goes to the Girls' School at Rosario, Brazil; Miss Agnes Graham, of Yoakum, goes to the Girls' School at Temuco, Chile; Rev. and Mrs. B. W. Orrick, of Madisonville, will do evangelistic work in Argentina; Miss Alice Bagby, Port Worth, goes to the Girls' School at Sao Paulo, Brazil; Rev. and Mrs. J. L. Cowser, of Milford, to Port Alegre, Brazil, and Rev. and Mrs. E. G. Wilcox, of Fort Worth, to North Brazil.

When approximately one hundred Southern Baptist missionaries sailed on the Canadian Pacific liner, the Empress of Japan, from Vancouver, British Columbia, Tuesday, August 17, for fields in the Orient, they formed the largest group of evangelists of the Christian religion that has ever been sent to foreign fields at a single time by a single denomination since the beginning of Christian missions.

The majority of the appointees of the Foreign Mission Board are new workers, recently come from the various educational institutions of the South where they have spent years in preparation for the duties they are about to assume in other lands.

Appointment and sending forward of so large a number of workers at a single time was made possible by the larger proceeds for missions from the Baptist 75 Million Campaign, from which \$20,000,000 will be realized for foreign missions during the five years covered by the campaign. Not all of this fund will be used in employing new workers, though approximately 500 additional men and women will be sent out during the five years. Other sums will go to providing more church buildings, schools and hospitals, homes for the missionaries and improvements of that character, including publishing houses for turning out the Bible and other religious literature. Many improvements will be made in missionary institutions already in operation on the foreign fields.

Missionary Operations Enlarged. In the new appointees of the Foreign Mission Board—and a new record was established when sixty-six were named

by this summer—are a number of Christian doctors, nurses, teachers, scientists and women workers, and one expert in farming and stock raising. These will supplement the work of the evangelists in that they will seek to relieve bodily suffering, teach the boys and girls, pave the way for more efficient homes by interesting mothers in sanitary housekeeping, and by their good work create in the minds of the people a favorable attitude toward the Christian religion. The instructor in agriculture and stock raising will undertake to reach many Chinese farmers with better methods of production and thus prove that the Christian missionary is the farmer's friend. The majority of the missionaries were born on the farm.

While the majority of the new appointees are going to China and Japan, others will sail in September for work in Africa, Brazil, Argentina and Chile.

World Program Is Planned. Ten foreign fields are occupied by Southern Baptists today in Africa, Asia, Europe, South America and Mexico. The work in all these fields will be strengthened and enlarged as a result of the larger funds made available for foreign missions through the Baptist 75 Million Campaign. New fields have been opened in Europe and the Near East and a million dollars has been appropriated for launching an intensive work in Russia at the moment the doors of opportunity are opened there. The Board is greatly strengthening its work in Palestine and hopes ultimately to give the gospel to hundreds of thousands of people in the land which witnessed the earthly labors of Jesus Christ.

Dr. J. B. Gambrell, of Fort Worth, Texas, president of the Southern Baptist Convention, and Dr. E. Y. Mullins, of Louisville, Ky., president of the Southern Baptist Theological Seminary, are now on a visit to all the Baptist families of the world, conveying to them the greetings of good will from Southern Baptists and laying the foundation for a fuller Baptist program for the evangelization of the world.

Money Apportioned to Mission Fields. In the distribution of funds to new work among the various mission fields occupied by Southern Baptists the following appropriations have been made by the Foreign Mission Board: Africa, \$233,925, calling for 31 new missionaries; Argentina, \$263,550, calling for 17 new missionaries; Brazil, \$1,339,100, calling for 51 new missionaries; Chile, \$58,900, calling for six new missionaries; China, \$3,279,125, calling for 331 new missionaries; Europe and the Near East, \$3,558,950; Japan \$319,000, calling for 40 new missionaries, and Mexico, \$420,000, calling for eight new missionaries.

Work in Homeland Fostered. While a large sum from the campaign is appropriated to foreign missions, home interests have not been overlooked. Appropriations to home objects include \$12,000,000 for home missions; \$11,000,000 to state missions; \$20,000,000 to Christian education, or the better equipment and partial endowment of the 114 educational institutions owned by Southern Baptists; \$4,800,000 for the thirteen Baptist hospitals in the South; \$4,039,688 for the sixteen orphanages, and \$2,500,000 for the relief of aged ministers and dependent families.

STATE FIRE MARSHAL INVESTS THIRD OF INCOME IN LIBERTY BONDS MONTHLY

Austin, Texas.—Hon. A. P. Wooldridge, former banker, long mayor of Austin, now state fire marshal, writes that he is investing at least one-third of his monthly income in Liberty Bonds, which he tells Dinsmore W. Hume, Federal District Director of Savings, of Dallas, he considers best for him. Mr. Wooldridge adds that were he not buying these securities he would invest in other government savings securities, War Savings Stamps and Registered Treasury Savings Certificates.

"I'VE QUIT PLAYING THE SUCKER'S GAME; I'M NOW BUYING W.S.S.," SAYS MAN

"Heretofore I have been playing the sucker's game and I have always come out at the muzzle of the cannon; from now on, I am putting some of my salary in War Savings Stamps," writes a Smithville, Texas, man to Dinsmore W. Hume, Federal District Director of Government Savings. After all, the safe saving game is the safest game to play, and War Savings Stamps are absolutely safe. They yield an attractive rate of compound interest.

REGISTERED TREASURY SAVINGS CERTIFICATES AT LOCAL POSTOFFICE

Paying compound interest and cashable on demand, the new \$100 and \$1,000 Registered Treasury Savings Certificates, registered against loss in any way, may be obtained from or through the local postoffice or banks. A \$100 certificate costs eighty odd dollars this month. The price of a \$1,000 certificate is only eight hundred and some odd dollars.

The difference between the capitalist and one who is not is \$4.19, or one red War Savings Stamp. Make your money work for you as well as work for it. Put it to work in a Registered Treasury Savings Certificate.

No. 1 as in a Healthy Child. All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Certain unscrupulous bottlers are offering for sale soda water, bottled in bottles bearing our name and trade marks—and we beg to caution our dealer customers, and others, to accept no bottled soda water, bottled in bottles bearing our name and address, except from us.

BOTTLERS, WHO ARE AFRAID, FOR SOME REASON, TO SELL THEIR GOODS UNDER THEIR OWN NAME, OR BRANDS, DO NOT DESERVE PUBLIC CONFIDENCE.

For the protection of the consumer, the Federal Pure Food Law requires that all containers, packages, boxes, cans, BOTTLES, etc., containing FOOD and DRINK, offered for human consumption, shall bear the true name and address of the manufacturer or bottler, of such FOOD and DRINK.

All we ask is a square deal—you believe in fair play—so please help us overcome this evil practice of deceiving the consumer and abusing our brands and name, by refusing to buy or sell bottled goods, put up by any bottler, who is afraid to assume the responsibility of selling his goods in bottles, branded with HIS OWN NAME AND ADDRESS.

OUR PRODUCTS—COCA-COLA, DELAWARE PUNCH, ORANGE and LEMON CRUSH, and BUCK BRAND Soda Waters, are bottled in strict conformity with all PURE FOOD LAWS—and are guaranteed pure and wholesome, within the broadest meaning of these terms.
